

Year: 01/2010

Reference standard: **EN 12058**

Product: **Slabs of natural stone for floors and stairs**

Denomination: **Portland Basebed**, Limestone:  
*Bowers Quarry, Wide Street, Portland, Dorset, England*

End uses: **Internal floor finishing**

Name and address of the producer: **Albion Stone plc**

<b>Characteristics</b>	<b>Declared values</b>	<b>Test method</b>
Reaction to Fire	Class A1 fl	Without testing (see Decision 96/603/EC, as amended)
Flexural Strength	LEV: 4.06 MPa Mean Value: 7.16 MPa Standard Deviation: 2.07	EN 13161
Slip Resistance	SRV dry: 77.4 Mean Value SRV wet: 91.0 Mean Value	EN 14231
Tactility	Fine Ground Finish – grit F120	Visual
Apparent Density	LEV: 2,124 kg/m <sup>3</sup> HEV: 2,331 kg/ m <sup>3</sup>	EN 1936
