

Year: 01/2010

Reference Standard: **EN 1469**

Product: **Slabs of Natural Stone for Cladding**

Denomination: **Portland Basebed**, Limestone
*Jordans Quarry, Easton Street, Portland, Dorset,
England*

End Uses: **External Wall and Ceiling Finishes**

Name and address of the producer: **Albion Stone plc**

Characteristics	Declared values	Test method
Reaction to Fire	Class A1	Without testing (see decision 96/603/EC, as amended)
Flexural Strength	LEV: 3.68 MPa Mean Value: 6.78 MPa Standard Deviation: 0.89	EN 13161
Resistance to Fixings at 75mm thick	LEV: 3,795 N Mean Value: 4,329 N Standard Deviation: 464	EN 13364
Frost Resistance	Passed	EN 12371
Water Vapour Permeability	NPD	EN ISO 12573 or EN 12524
Thermal Shock Resistance	NPD (No Performance Determined)	EN 14066
Apparent Density	LEV: 2,122 kg/m ³ HEV: 2,236 kg/m ³	EN 1936
