

Year: 01/2010

Reference Standard: **EN 1469**

Product: **Slabs of natural stone for cladding**

Denomination: **Portland Roach**, Limestone
Bowers Quarry, Wide Street, Portland, Dorset, England

End Uses: **Internal Wall and Ceiling Finishes**

Name and address of the producer: **Albion Stone plc**

Characteristics	Declared values	Test method
Reaction to Fire	Class A1	Without testing (see decision 96/603/EC, as amended)
Flexural Strength	LEV: 2.02 MPa Mean Value: 3.94 MPa Standard Deviation: 1.58	EN 13161
Resistance to Fixings at 75mm thick	LEV: 1,981 N Mean Value: 4,288 N Standard Deviation: 1,277	EN 13364
Water Vapour Permeability	NPD	EN ISO 12573 or EN 12524
Apparent Density	LEV: 2,023 kg/m ³ HEV: 2,551 kg/m ³	EN 1936
