

Year: 01/2010

Reference Standard: **EN 1469**

Product: **Slabs of natural stone for cladding**

Denomination: **Portland Whitbed**, Limestone  
*Jordans Quarry, Easton Street, Portland, Dorset,  
England*

End Uses: **Internal Wall and Ceiling Finishes**

Name and address of the producer: **Albion Stone plc**

<b>Characteristics</b>	<b>Declared values</b>	<b>Test method</b>
Reaction to Fire	Class A1	Without testing (see decision 96/603/EC, as amended)
Flexural Strength	LEV: 3.92 MPa Mean Value: 8.93 MPa Standard Deviation: 1.57	EN 13161
Resistance to Fixings at 50mm thick	LEV: 1,489 N Mean Value: 1,860 N Standard Deviation: 199	EN 13364
Water Vapour Permeability	NPD	EN ISO 12573 or EN 12524
Apparent Density	LEV: 2,003 kg/m <sup>3</sup> HEV: 2,321 kg/m <sup>3</sup>	EN 1936
