

ALBION STONE

Portland Stone - Naturally

Heritage Portland Stone® Bricks

ALBION STONE
Portland Stone - Naturally

Brick type

Natural Stone Brick

Standard brick size

215 x 102.5 x 65mm

Dimensional tolerances

Tolerance T2

Range R2

Compressive strength

Average 47.97 MPa

LEV 37 MPa

Water absorption

5.89%

Durability

F2

Active soluble salts content

None

Configuration

No frog

Dry weight per brick

3.2kg

Pack size

400

Factory

Portland

Verified EDP

44.7kgCO₂/Tonne

100% Recyclable

100% British
