ALBION STONE

Private Residence, Dorset

Architect/Designer:

Paul Scott

Client:

Private

Main Contractor:

Raymond Brown Building

Location:

Wareham, Dorset

Portland Stone:

Fancy Beach Whitbed

Scope of Project:

Three storey extension to residential property.

This project consisted of a three storey extension to the property. Albion Stone Restoration fixed cast stone portico to the existing house and the extension.

The Stone supplied needed to match the existing house, and the Portland Stone supplied was extremely successful in doing so.

Albion Stone Restoration supplied the customer with relevant Health & Safety

policies, method statements and risk assessments.

Cutting of templates, stone schedules and site surveys were also supplied by Albion Stone Restoration.

The supply and fixing of stone carried out included walls, cills, quoins, stone columns and a new chimney to match existing one.
