ALBION STONE

# Tedworth House, Wiltshire

Architect/Designer:

**N/A**

Client:

**Help for Heroes**

Main Contractor:

**N/A**

Location:

**Tidworth, Wiltshire**

Portland Stone:

**Grove Whitbed**

Scope of Project:

**Construction of new recovery centre.**

Albion Stone supplied a shelly block of Grove Whitbed to Ketton Stone for a project they were conducting on site at Tedworth House, Help for Hero's flagship recovery centre.

Tedworth House' purpose is to inspire our wounded, injured, sick and returning veterans to lead active independent and fulfilling lives which will enable them to reach their full potential and to support them, and their families, for life.

Based in the Wiltshire town of Tidworth, Tedworth House supports the two key parts of the recovery process by providing holistic life skills courses and activities to get the residents back out doing what they enjoy the most.

The Grove Whitbed blocks were used for ornate external stonework on the building. The blocks were manufactured by Ketton Stone.
